ALMA MATER

Hail to thee, dear Swainsboro High,
With your black and gold.
We will always love and cherish
Memories you enfold.

Oft in fancy we will travel
Back to high school days,
Live again with you in dreaming,
Wake to sing your praise.

DEDICATION

FOR . . .

Your willingness to help in all our projects . . .

Your earnestness and sincerity in the classroom . . .

Your insistence that we prepare for and aspire to higher learning . . .

We, the annual staff, show our appreciation by dedicating this, the 1955 SPOTLIGHT, to you,

M. B. PRICE

To the boys and girls of Swainsboro High School:

As your principal, I would like to commend you for the fine spirit of cooperation that you have shown throughout the school year. You always seem to be ready and willing to go along with us on any project that we have begun and we appreciate this more than we can express in words.

Boys and girls, many of you will complete your work here this year, or you will move to another community. We want you to know that it has been a pleasure to work with you and we stand ready and willing to help you in any way that we can. Wherever you may be, we are counting on you to do a good job and reflect favorably on Swainsboro High School.

Many of you will be back with us another year and we hope it can be the best year ever. Won't you do some thinking and some planning so that we can have a real banner year in 1955-56 at dear old Swainsboro High?

We trust that each of you will have a pleasant vacation season and come back in the fall ready to do a real job.

Your friend,

V. E. Glenn
